TOURNAMENT RULES

Everyone tees off

Teams then select the best ball

**Teams must use at least 3 tee drives from
each player**

**All players then hit the next shot within a
club length from the previous best ball spot
nearer to the hole**

**Continue this until your team reaches the
green**

**Select the best ball on the green and putt
within 6 inches of the spot of the best ball**

**Hole 10 is the longest drive competition
hole – 1 for women and 1 for men (ball
must be in fairway to count)**

**Hole 17 is the closest to the pin hole (ball
must be on green to count)**

**Since handicaps are not being used, there
will be a blind birdie/bogey draw**

**6 holes will be chosen at random. Your
score will be deducted 1 stroke from your
posted score (Birdie) on three randomly
chosen holes. For the other three randomly
drawn holes, your score will have a stroke
added (Bogey). Scores will then be
calculated from the adjustments to
determine final score.**

IT'S A TEE-RIFFIC TIME.....

Whether you are a scratch golfer or a 30 handicapper, we invite you to join us at the 2020 CUPA Conference Charity Golf Tournament at Poplar Creek Golf Course on Sunday, February 2, 2020, from 9am – 3pm.

Players will be able to test their skills at 18-holes of golf in a team shotgun format with breakfast, lunch, trophies and tee prizes and at the same time make a difference in the lives of those impacted by the Camp Fire through the work of the North Valley Community Foundation.

A partnership of the North Valley Community Foundation, Sierra Nevada Brewing Co. and the Aaron Rodgers NorCal Fire Recovery Fund, the Butte Strong Fund was set up to work alongside communities for years after the fire. It issues grants in six categories: housing, business recovery, community development, health and wellness, children and youth services, and education. Grants are approved by a committee of nine community members, several of whom lost homes in the Camp Fire.

The foundation is the primary philanthropic organization serving Camp Fire Recovery.
