## Scholarship information

Mark your calendar now for the 23rd California Unified Program Annual Training Conference, February & March, 2021. Scholarships are available for CUPA and PA technical staff employees and approved by the CUPA Manager. Independent Contractors do not qualify.

### Applications are due by November 30<sup>th</sup>

Go to [www.calcupa.org](http://www.calcupa.org) and log into your profile to apply. If you do not have a profile you will need to set one up. Using your Agency email is mandatory. Please update your profile to make sure your email address and member account information is correct. After you apply you will receive an email from [conferencemanager@calcupa.org](mailto:conferencemanager@calcupa.org) confirming receipt of your scholarship application.

This year the scholarship includes paying for your \$375 registration fee which includes access to all 2021 Training Sessions and a one-year subscription for access to all videos and certificates at [www.calcupa.org](http://www.calcupa.org)

**In recognition to the hardship many jurisdictions are facing, there will be no required agency contribution this year. However, if your agency has training funds available, we ask that you consider using your own funds to register as many of your staff as possible, rather than your entire staff applying for scholarships. This will help ensure that scholarship funds are available for when we need them, now and in the future.**

**NEW REQUIREMENT FOR MANAGERS!** Managers are required to log into their account, click **MANAGER DASHBOARD** and approve or decline a scholarship application. This is requested to be completed by November 30, 2020.

## FEATURES AT THE 2021 CUPA CONFERENCE:
