CalCUPA-2022 Speakers/Moderators info script update **(NOTE: Please check back the night before your Session as there are regular updates to this information...it will be noted in the date (time) above)**

### **Slide 1 – Session Title Slide**

“Welcome to the second and final week of the 24<sup>th</sup> California Unified Program Annual Training Conference. We hope you find great value with this Virtual Conference and that you make plans to join us in person next year at the Anaheim Marriott for our 25<sup>th</sup> Annual Conference which will be held March 20-23, 2023.”

### **Slide 2 – Thanks to our Exhibitors and Sponsors Slide**

“Thanks to our many sponsors and exhibitors whose support for this conference demonstrates the importance of this event and the partnership that CUPAs have with government and industry. Please make sure to visit them in their virtual booths. Click on “Sponsors & Exhibitors” located on the left-hand side of your Virtual Platform screen. Here you can visit all of our sponsors and exhibitors, download handouts and make some great new connections.”

### **Slides 3 Slido Intro – Slido QR Code, Slido Meeting # & Screen Shot of Slido Slide**

“We will continue to use Slido for most of our presentations for Q&As and Polls. Please use the Q&A panel on the right side of your screen (or chat in Zoom) to ask questions. If you see a question similar to yours, use the “like” icon to prioritize (upvote) the question. If you go to slido.com, please enter this meeting number from this slide to access our polls/Q&A for this session. If you are using your smartphone, click on this QR code using your camera app now.”

### **Slide 4 – Other Important Info**

“Towards the end of every presentation, a Zoom link will be provided in Slido for us to continue this conversation. Please select the appropriate breakout room for this session when you arrive. If we are already in Zoom, just stay there and we will open it up for live questions at the end.

As a reminder – if we are in Zoom, you will not see the “Are you still watching?” prompts, but you will still receive credit as long as you complete the other CEU requirements:

- \*join within the first 10 minutes of a LIVE Session
- \*attend the full session
- \*complete your Session evaluation and Conference survey

If you want to know if you received credit, you can now check your CUPA 2022 CEU status from your Course History in your Member’s page at CalCUPA.org.

The Conference Survey was released Tuesday morning...the link is posted on both websites in prominent locations.

And finally, over 30 of last week’s videos are now available for viewing by clicking “Watch Now” from the Session.

OK, that's it for the announcements...let's move on to our Presentation"

After this, introduce the Session Presenter and turn it over to them...
