Calcupa.org website information

- Where/When to upload your PDF presentation (ALL SESSIONS)
- Where/When to upload your PPT/PPTX Presentation (Recorded Only)

Poll 1

- Ask a multiple choice question here:

A) Answer 1

B) Answer 2

C) Answer 3

D) Answer 4...highlight the correct answer

Calcupa.org website information

- Upload your Photo to your Profile...
- View your Session Roster in Advance to Gauge your Audience

The Day of Your Presentation

- Arrive at least 1 hour early
- Check in at Speaker Registration
- Get your name badge, lunch ticket and speaker gift
- Find your Session Room
- Meet with the AV team in the back of the room
- Provide your PPT presentation on a thumb drive to AV
- Professional to load 15 minutes before your presentation
- Speaker Ready Room if needed

The Day of Your Presentation – Monitors

- Monitors will arrive 10-15 minutes before you start
- AV Team will be on-site to assist you
- Monitors will post check in/out codes on flip chart
- Check in/out Codes also available on your Session Roster...
- Water will be provided to 'wet your whistle'
- Monitors will pass mic around during Q&A
- Monitors will hold up session end sign (10, 5, 1, 0 min)

Speaker Emergency

- Speaker Emergency – If something comes up please let your Track Coordinator know or call/text the Conference Manager, Sheryl Baldwin Sheryl@calcupa.org at 530.363.0027 (cell) and Jacob Baldwin Jacob@calcupa.org at 530.919.0032 (cell)
- If you can't get a hold of Sheryl, you can contact me at webmaster@calcupa.org or 530.263.8488 (cell)

Other Resources For You

- This year, if you haven't coordinated with a Track Coordinator, you will do self-introductions
- Using Slido for Poll Questions into your Presentation?
- Adding a Video to your Presentation
- Adding a webpage link to your Presentation

Poll 2

- Ask a word cloud or T/F or open ended question here:

Questions not related to Slido/Recording

- This is your chance to ask any questions you might have
- If no questions, you can leave the Zoom at this time unless you want to see Slido or stay for recorded Session discussion

Slido and Session Recording (LMS)

- Speaker Session Recording Acknowledgement Form
- Slido
- Session Recording (LMS Demo)

Speaker Session Recording Acknowledgement Form

7. Is my Session Being Recorded? - Our goal is to record about 30 Conference Session Presentations. You can view the [PDF Agenda](#) to determine if your Session is being recorded (it's highlighted in peach or yellow). If your Session is being recorded, we are asking our Presenters to provide us with 6-10 multiple choice quiz questions with the correct answer for each 1/2 hour of the presentation. This will allow us to convert the video Session into a Course on our [Learning Management System](#)...here are the basic steps for preparing your Quiz Questions:

New This Year: We have developed a [Speaker Acknowledgement Form](#) for you to review and affirm to make sure that you understand that your Session is being recorded and that we plan to convert your Session into a Course on our Learning Management System...we will review this at our upcoming training zoom meeting.

1. As you prepare your presentation, try to think of natural breaks in subject matter every 20-25 minutes. This allows for us to create 4 videos from a 2 hour presentation for use in the Course.
2. If we create 4 videos for a 2 hour Course, we need 6-10 Quiz Questions for each 30 minute video.
3. You should provide in a Word Doc highlighting the correct answer to the question.
4. The quiz questions should be labeled to align with slide numbers in your PDF which will relate to the approximate video length. For example, if your presentation has 80 slides for a 2 hour presentation, you will create breaks in your presentation approximately every 20 slides, which should correlate to about 1/2 hour of video. This does NOT have to be exact, these are simply guidelines for you to follow.
4. Quiz Questions are typically T/F or Multiple Choice. Again, make sure to highlight the correct answer to the question.
5. Save your quiz questions word doc with the following name format: Session Code-Short Title-Your Last Name-Quiz Questions, for example, "TU-L4-EXPLORING CalCUPA LMS-Snellings-Quiz Questions" or "TU-L4-EXPLORING CalCUPA LMS-Snellings-Quiz Questions"
5. Upload your Quiz Questions to our DROPBOX FOLDER
6. Send an email to webmaster@calcupa.org and let me know that you have uploaded your Quiz Questions
7. You will receive a confirmation email within 24 hours.
8. If you don't receive a follow up email, please call our office at 530-676-0815.

Annual Training Conference
March 24-27, 2025

Speaker Session Recording Acknowledgement Form

When you retain intellectual property rights to your original content, you grant our organization a non-exclusive, royalty free license to use, copy, and distribute the recorded session as outlined above.

5. No Compensation for Recorded Use:

You acknowledge that no additional compensation will be provided for the use of the recorded session in our LMS. Your participation and agreement to this recording serve as acknowledgment of this arrangement.

6. Release of Liability:

By agreeing to these terms, you release our organization from any liability related to the distribution or use of the recorded session as stated in this waiver.

7. Liability Release for Reproduction by LMS Participants:

By accessing and using the materials provided within this Learning Management System (LMS), each participant agrees and acknowledges that the organization and its affiliates, officers, employees, and agents are not liable for any unauthorized reproduction, distribution, or use of these materials by LMS participants. The organization provides content for educational purposes only and cannot control or monitor individual participant actions outside of the LMS platform. The participant accepts full responsibility for any reproduction, distribution, or use of LMS materials and waives any claims against the organization for any consequences that may arise from such actions.

8. Governing Law:

This waiver will be governed by the laws of the State of California, without regard for choice of law provisions.

9. Dispute Resolution Clause:

In the event of any dispute, controversy, or claim arising out of or relating to this agreement, the parties agree that they will not pursue litigation against each other. Instead, the parties commit to resolve any dispute through an alternative dispute resolution process. This process shall include good-faith negotiations, mediation, and, if necessary, binding arbitration, conducted in accordance with the rules of the [relevant arbitration or mediation institution]. Each party shall bear its own costs in the dispute resolution process, and any decision reached through binding arbitration shall be final and enforceable by a court of competent jurisdiction.

10. Severability:

You agree and acknowledge that if portions of this waiver are held to be illegal or otherwise unenforceable, such shall not affect the legality or enforceability of the remainder of the Agreement.

11. Acknowledgment of Understanding:

By checking the box below and submitting, you affirm that you have read, understand, and agree to the terms outlined above.

Acknowledgment Checkbox and Submission

I have read, understand, and agree to the terms and conditions stated in this waiver and consent to the recording and distribution of my session as a Course in CUPA Forum Board's LMS.

Agree to Waiver and Acknowledgment of Recording Use for CUPA Forum Board's LMS for 101015 EXPLORING CALCUPA.ORG'S LEARNING MANAGEMENT SYSTEM (LMS)

- Who has access to the CUPA LMS?
- Learning Path

Session Recording For LMS

The screenshot shows the CalCUPA website's LMS interface. At the top, there's a navigation bar with the CalCUPA logo and menu items: HOME, ABOUT, PROGRAMS, TRAINING, OTHER PROJECTS, MEMBERS. Below this is a search bar. The main heading is 'LMS Continuing Education Courses'. A breadcrumb trail shows 'Training > LMS Continuing Education Courses'. A secondary navigation bar contains icons for various services. The main content area features a welcome message: 'Welcome to CalCUPA's Learning Management System (LMS) (currently over 70 Courses...)'. It includes sections for 'Who Has Access?' and 'What's Inside?'. The 'Who Has Access?' section lists access rules for CUPAs, PAs, staff, and attendees, and details purchase options for full and single courses. The 'What's Inside?' section lists course topics like Haz Mat, Leadership, and REHS contact hours, and mentions new content and mobile access. A contact email 'webmaster@calcupa.org' is provided. A blue banner states 'Full LMS access authorized via CUPA or PA organization (Nettop Publishing)'. Below is a search bar with the text 'Search by: Session Title, Code, Description or Objective'. A filter bar shows 'All Courses (72)' and various course categories with counts. At the bottom, there are thumbnails for 'Decoding the Universe: Key MOC Terms', 'HAZOP Process', and 'Risk Ranking'.

Waste Characterization vs. Waste Profiling

- Waste characterization and waste profiling are different but have much in common.
- Both are undertaken by waste generators.
- Both address the Federal and State hazardous waste regulatory concepts discussed above (i.e., waste listings and waste characteristics).
- Both often rely on testing waste and comparing the results to the applicable regulatory criteria.
- So... what's the difference?

What is a Process-Based Investigation?

The Good, The Bad & The Ugly

What is the US EPA Form 8700-12?

- Known as the Site ID Form
- Multipurpose form

Session Recording For LMS

The screenshot shows a Moodle LMS interface. At the top, a browser address bar displays 'learn.calcupa.org/course/view.php?id=52'. Below the browser is a dark green navigation bar with the 'CUPA' logo and menu items: Dashboard, My courses, Site administration, All LMS Courses, and Free Courses (No CEUs). On the left, a 'Course Menu' sidebar lists the course outline, including 'Welcome...Read This First!', 'Course Information', and four video/quiz pairs. The main content area features a course card for 'Characteristic Hazardous Waste' with a video player for 'ADVANCED HAZARDOUS WASTE CHARACTERIZATION (2023) (1:41:02)'. The card includes a 'B - Hazardous Waste' badge, a 5-star rating system (0 reviews), and four icons representing hazard types: Ignitability, Corrosivity, Reactivity, and Toxicity. Below the card, a summary bar shows: 38 Enrolled Students, 18 Students Completed, 3 In Progress, and 17 Yet to Start. At the bottom, a 'Course Outline' section lists 'Welcome...Read This First!' (URL) and 'Course Information' (Page).

27th California Unified Program
Annual Training Conference
March 24-27, 2025

Session Recording For LMS...IMPORTANT

- Critical that Q&A is spoken into a mic
- You will have a volunteer or 2 to assist with moving the mic around the room
- We will edit out the dead spots for the mic to be moved around
- It's also a good practice for you to repeat the question

Session Recording For LMS...IMPORTANT

- Quiz Questions Needed 4-7 per 30 minutes of video
- I'd suggest you prepare them as you are working on your presentation...get Questions/Answers from PPT
- Think about 25-30 minute sections of your presentation
- Sec 1, Slides 1-25, Sec 2, Slides 26-50, etc.
- Upload Quiz Questions using Session Name as shown on Speakers Info page OR we can use ChatGPT

Session Recording For LMS...

- Questions about the LMS???

Keys for Success

- <https://calcupa.org/conference/speakers.html#information>
- Call/Email me with any presentation questions, Slido questions or LMS/Recording questions at webmaster@calcupa.org or 530.263.8488 (cell/text is ok)
- Call/Email Sheryl with any AV related questions at Sheryl@calcupa.org or 530.363.0027 (cell) or Jacob at Jacob@calcup.org or 530.919.0032 (cell)
