California CUPA Forum is an Accrediting Agency licensed through the California Department of Public Health to offer Registered Environmental Health Specialist (REHS) continuing education contact hours (CECH).

All Training Sessions have been approved to offer REHS CECH for the amount of time the sessions are scheduled. Final Program is subject to change.

International Code Council (ICC) Certification is provided for all Track C Sessions. 101 are Beginning Sessions, 201 are Intermediate Sessions & 301 are Advanced Sessions.

Use your mobile phone, tablet or laptop to earn credits as follows:

Step 1 – From the online Agenda (<https://calcupa.org/agenda/index.html>), use the "+ Add Sessions" button to add Sessions to "My Itinerary".

Step 2 – From My Itinerary (<https://calcupa.org/agenda/index/my.html>), attend Sessions and use "Check In" and "Check Out" Codes as provided during the Sessions to verify your attendance (NOTE: Buttons will become active during Sessions).

Step 3 – Complete a Session Evaluation AFTER you've Checked Out of the Session (the green button will change to "Evaluation"). After you complete the Session Evaluation, the button will disappear and you will see "Session Completed".

Step 4 – IMPORTANT - Near the end of the Conference, a Conference Survey BUTTON will be activated and you must complete this for the process to be finalized.

Step 5 – After each of these steps are completed, your CEUs will appear in your Course History.

It is most efficient to complete this information after each Session. A completed Session Evaluation per Session is required to be submitted by April 30, 2025, in your "My Itinerary" at <https://calcupa.org/agenda/index/my.html>

No partial credit is given; please attend the entire session time. After April 30, 2025, if you need help obtaining your CEUs, you will be charged \$25 per Session. Video means the session will be recorded and posted in the CalCUPA website accessible by conference registrants.
