

CALIFORNIA CUPA FORUM

Training Funding Request

Training Eligible for Funding:

The California CUPA Forum has established a training fund that is used to assist CUPA's and PA's with training. Unified Program agencies may request funding for training that is related to program implementation. The training must be made available to all agencies within the hosting agency's region. Costs that may be covered for the training includes but is not limited to: contractor costs, instructor travel and/or lodging costs, food for the participants etc.

Course Name: _____

Instructor(s): _____
