

Hazwoper Refresher

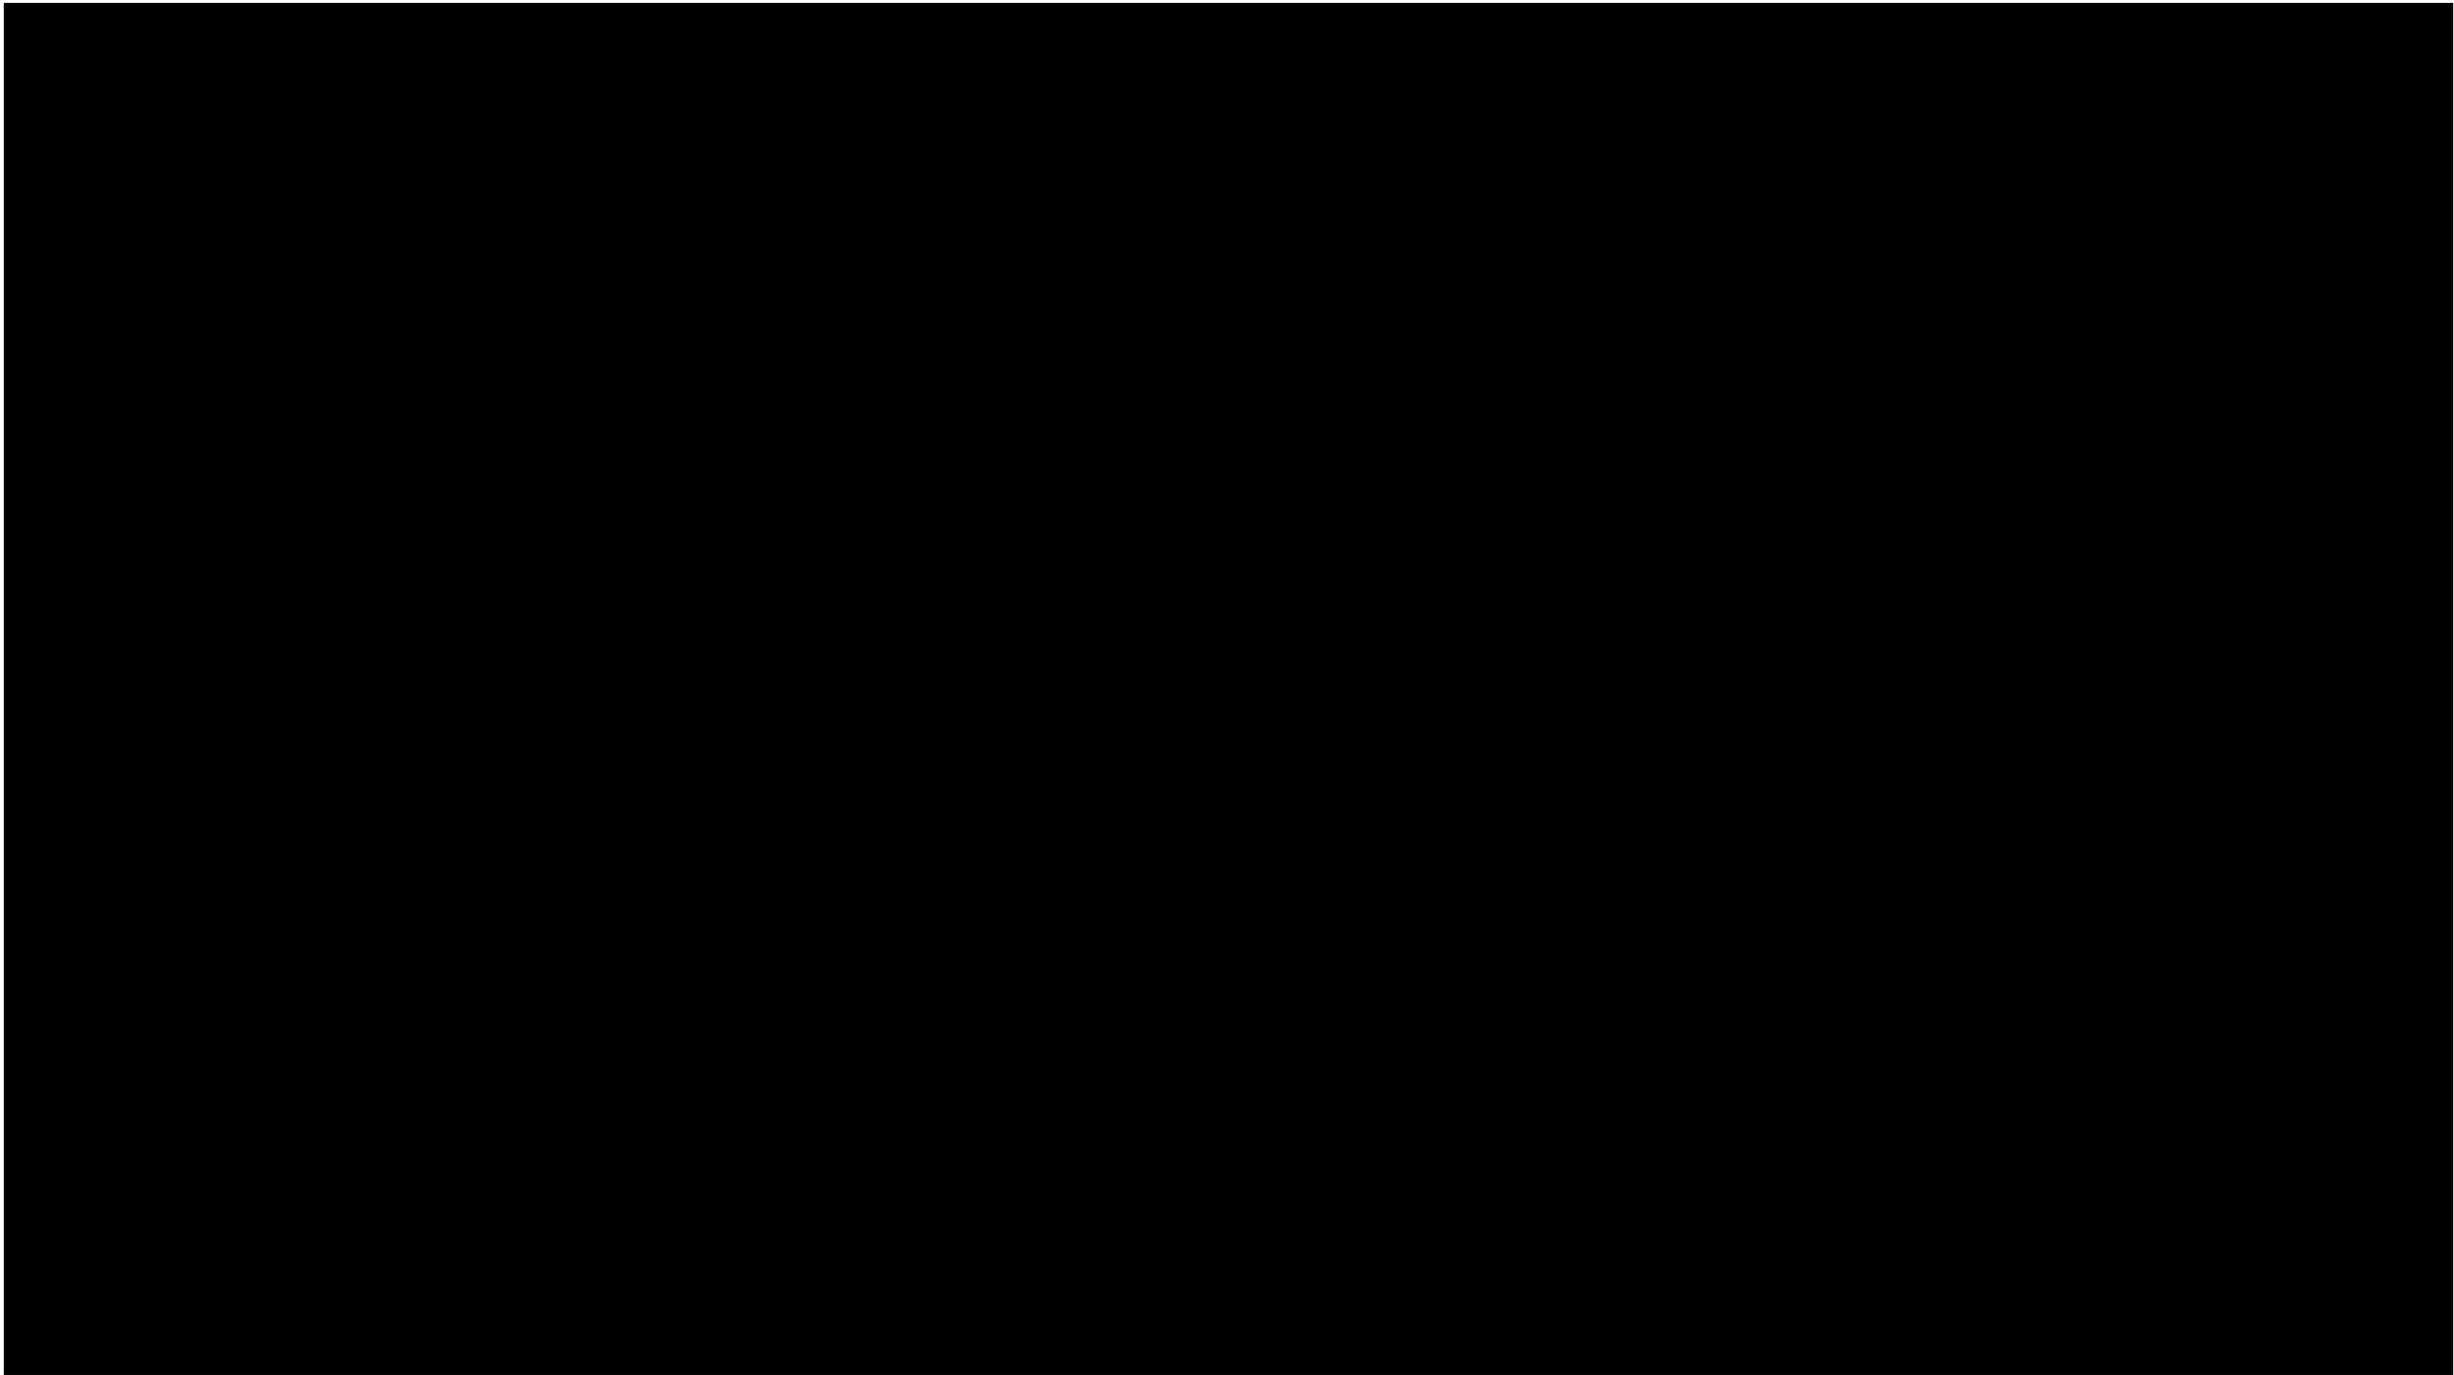

Presented by

County of San Diego Hazardous Materials Division:
Brad Long, Todd Burton, Leon Wirschem, Brad Richardson

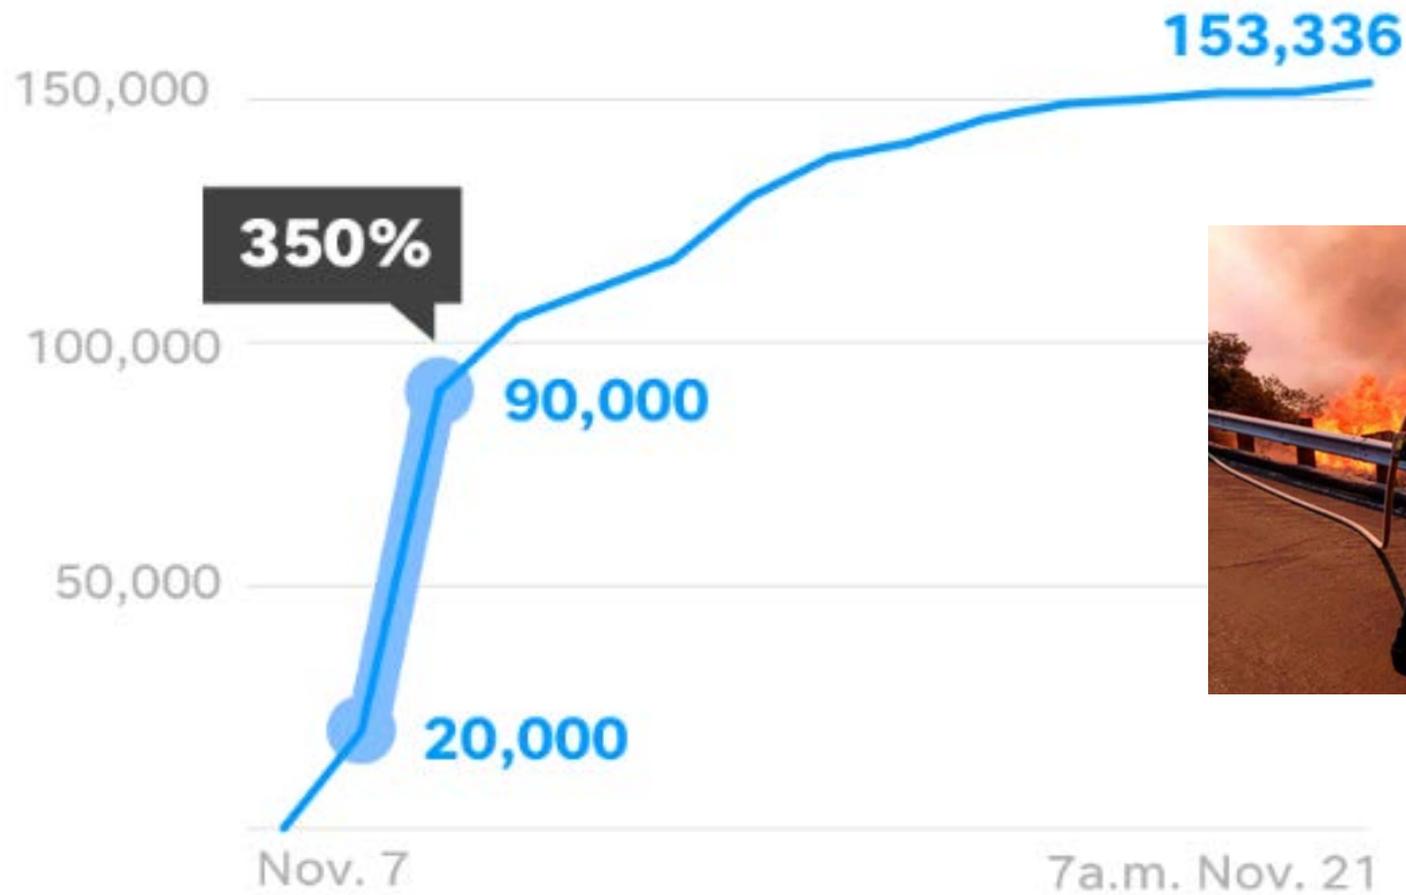

21st Annual California CUPA Training Conference
February 25-28, 2019
Anaheim

www.calcupa.org

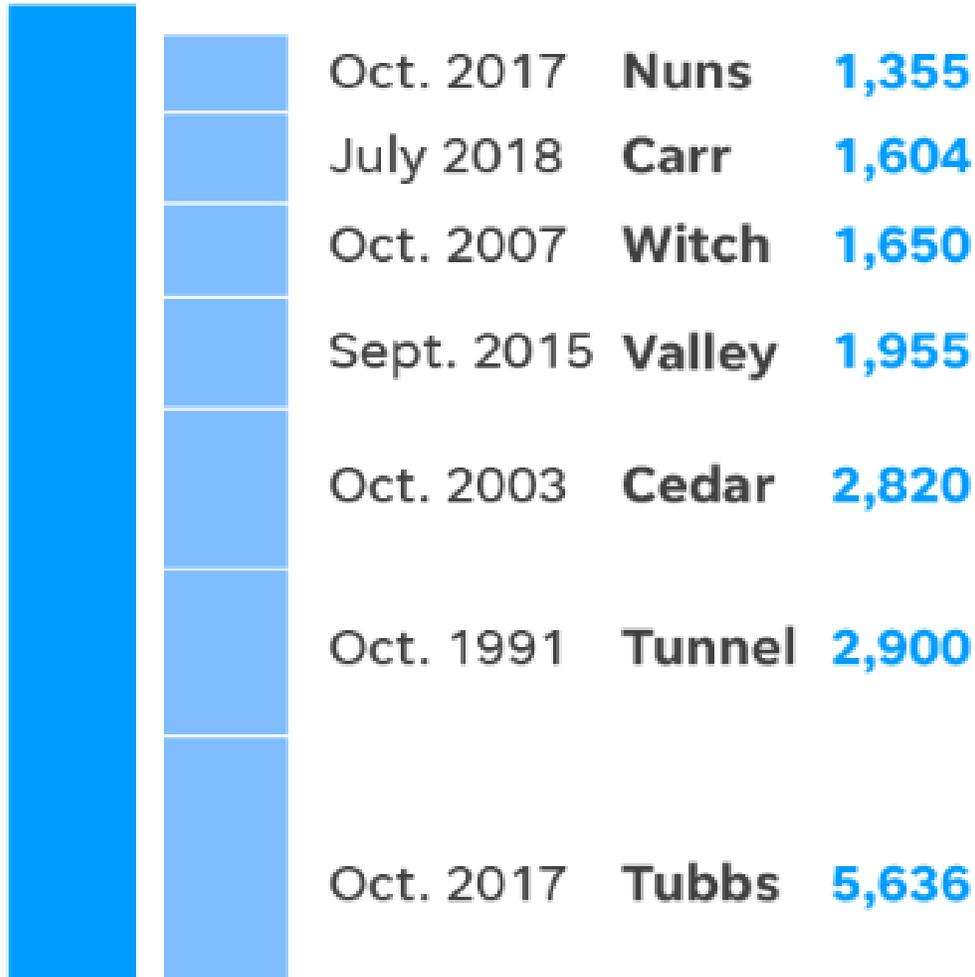

3 The number of acres burned grew more than 350 percent during the second day

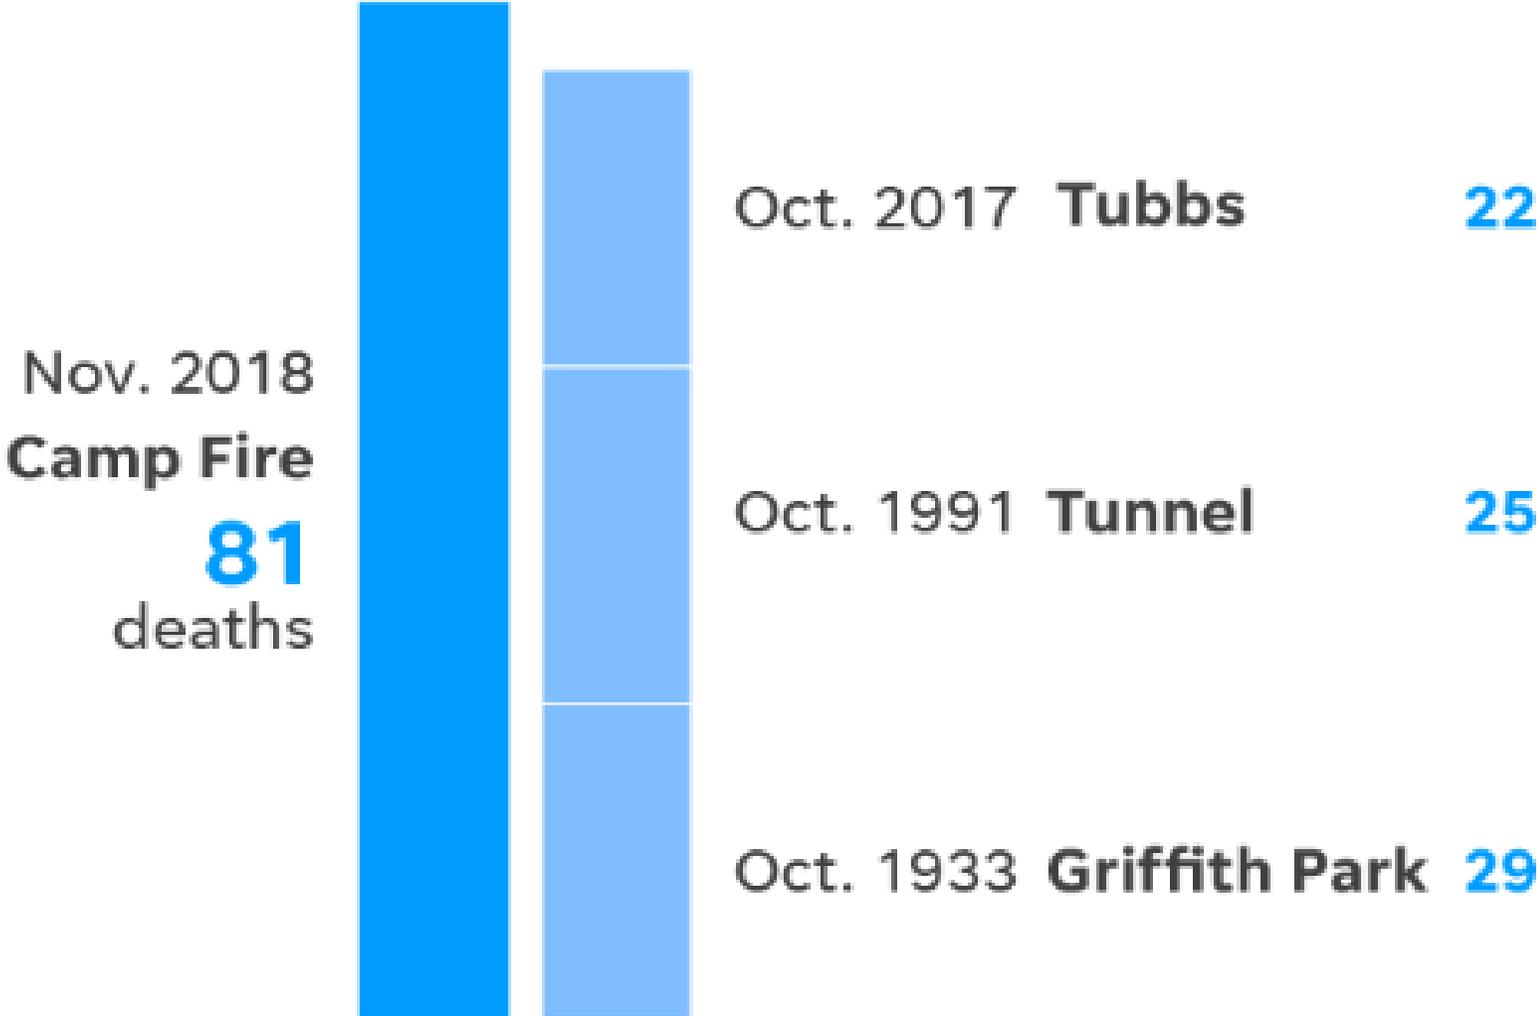

The Camp Fire grew rapidly near midday Nov. 8, consuming 10,000 acres in about 90 minutes – burning the equivalent of more than one football field every second during that time. It charred more than 70,000 acres in a day's time.

The fire has destroyed more structures than the next 7 worst fires combined

Nov. 2018
Camp Fire
18,421
structures

The fire has killed more people than the previously 3 worst wildfires combined

Course Objectives

- Maintain training certifications per 29 CFR Standard 1910.120 and 8 CCR 5192
- Prepare attendees for damage assessments in real life disasters, including mutual aid opportunities
 - Provide hands on training
- Have fun!
