**UNIFIED PROGRAM
TRAINING FRAMEWORK
MARCH 12, 2012**

Training Background – Training Framework

PURPOSE

- 1) Create consistent training throughout the Unified Program by establishing a comprehensive recommended training framework that meets CUPA and PA staff training and program needs and meets the training requirements for UPAs as defined in state laws;
- 2) Identify and prioritize training gaps and develop improvement strategies to address those gaps;
- 3) Implement a governance structure to oversee and maintain the training framework; and,
- 4) Develop the workforce to meet the Unified Programs core program functions into the future by achieving and maintaining a diverse high performance work environment for all of its' organizations.

What is an LMS?

- Learning Management System (LMS)
- USEPA, LinkedIn, Udemy, etc.
- Key Functions
 - Learning Path
 - Quizzes, which must be passed (>70%)
 - CEU Certificates/Contact Hours
 - ICC & REHS

2. What other LMS Systems have you used?

What is an LMS? – Is there a need?

- The demand for a flexible and convenient learning solution is on the rise as learners are increasingly adapting to new technologies
- Mobile learning is a significant trend in eLearning as it improves productivity by 43%
- It enables learners to acquire knowledge more efficiently and enhances their ability to implement it effectively
- Learners to engage with educational content at their own pace and convenience

Calcupa.org Strategy...Who Gets Access?

- All 2025 Conference Attendees thru 12/31/2025
- All CUPAs/PAs/CalEPA/DAs
- All Members get access to FREE Courses
 - Currently we have a great FREE Course for Industry

Calcupa.org...Can You Buy Access?

- If you don't have access, can you pay for a course?
Currently \$50 per CEU
- What about non CUPA/PA after conference?
- Bundles – 101/201/301?

Calcupa.org...Requirements to Access

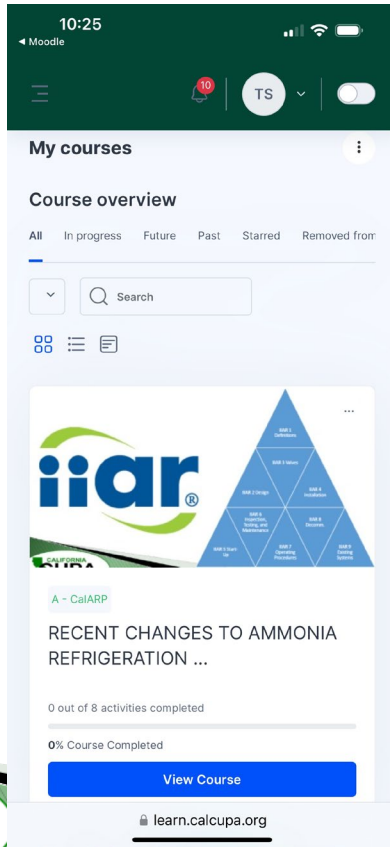

- Must be logged in to calcupa.org
- Must be a CUPA/PA or
- Must be a paid attendee at CUPA-2025 or
- Must pay an annual fee or purchase a Course

Calcupa.org...The Tech Behind Our LMS

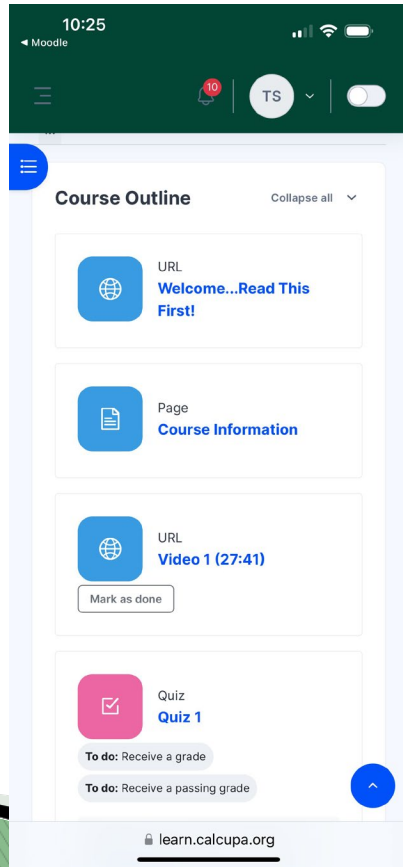

- Hosted on AWS
- Separate Accounts for LMS and calcupa.org
- LMS is built with Open-Source Platform – Moodle
- We are able to leverage use of the Moodle App
- Single Sign On Authentication
 - Access to LMS is via logging in at calcupa.org

LMS – Moodle Mobile App

- Designed for inclusive and accessible learning
- Addressing the challenges of learners with limited internet connectivity or desktop access
- Connectivity issues shouldn't be a constraint in educational opportunities
- Moodle App, learners can easily access the Moodle platform, whether online or offline, from any location and device

LMS – Moodle Mobile App – Key Ideas

- Understand the learner...YOU are 'the learner' ...what are your real needs...tell us
- Create mobile-friendly content
- Embrace microlearning... Microlearning involves breaking down learning into small, focused units, a method known to enhance retention and foster a sense of accomplishment.
- What are your thoughts on how short the learning path video segments should be?

Ready for a Tour of calcupa.org LMS? 2024

The screenshot shows the CalCUPA LMS dashboard. At the top, there is a navigation bar with the CalCUPA logo and menu items: Dashboard, My courses, All LMS Courses, and Free Courses (No CEUs). A user profile icon labeled 'TS' is visible in the top right corner. The main content area is titled 'Dashboard' and 'CalCUPA LMS'. A welcome message states: 'Welcome to the CalCUPA Learning Management System! On this page you will find your current courses. Visit [calcupa](#) to browse new courses. Enjoy 😊'. Below this, a note says: 'Your courses have moved to the 'My courses' tab in the top menu ⬆️'. The dashboard features three key statistics: 312 Total Active Users, 41 Number of Courses, and 1064 Total Enrollments. Underneath, a section titled 'Current top 3 courses' lists the following:

Course	Enrollments
BEGINNER UST INSPECTOR 101 (5:27:40)	89
HAZARDOUS WASTE 101 (3:30:25)	89
UST OVERFILL PREVENTION (1:45:16)	74

On the right side of the dashboard, there is a 'Calcupa Chat Bot' section with an input field 'Ask a question...'. Below that is a 'Recently accessed items' section listing three items: 'Course Evaluation CONDITIONALLY EXCLUDED HAZ...', 'Course Information CONDITIONALLY EXCLUDED HAZ...', and 'Quiz 2 - Additional Info CONDITIONALLY EXCLUDED HAZ...'. A 'Show more items' button is located at the bottom of this list.

Here are some helpful tips for you to be successful in walking through the Learning Path below:

- This Course must be taken step by step in succession.
- Follow the Learning Path for the Course by next reviewing the Course Information.
- "Course Information" will provide you a link to **download a PDF of the presentation** and any other relevant handouts. You will also be able to review the Course Objectives and Description in this section. Begin your learning experience by watching Video 1.
- When you watch a video (as many times as you prefer), when you are ready to take the Quiz, above the video, click on **Mark as done** and confirm you see the graphic change to . Once this is completed, you may proceed to the Quiz by clicking on it in the Learning Path.
- **Important:** When you complete watching Video 1, you must click the "Mark as done" box ABOVE the Course Title to unlock Quiz 1, and continue through the Course.
- This will place a green dot to the left of that item on the left menu (The Learning Path) to provide you with a visual of what items you have completed.
- Select Quiz 1 and read the description of the Quiz. Note the number of questions you must answer correctly to pass and unlock the next video. When you are ready, click on "Preview Quiz" to begin. Answer all questions. When you are finished with the Quiz, click on "Finish attempt". On the next screen, you can confirm that all of your answers registered. If all questions have an answer, click "Submit all and finish" to have your Quiz instantly graded.
- If you did not pass, we encourage you to review the Video segment, prior to retaking the Quiz. You have unlimited Quiz attempts, but cannot move on to the next video segment until you pass. Click on Quiz 1 again when you are ready to retake the Quiz.
- Once you pass the Quiz, you will be able to click on Video 2 and proceed through the Course.

ADVANCED HAZARDOUS WASTE CHARACTERIZATION B-W/B3

CONDITIONALLY EXCLUDED HAZARDOUS WASTE B-W/B2

Credits
REHS: 2.0

Objective
This session will identify several useful exclusions from full regulation available for hazardous waste.

Description
This course will identify and explain the conditional exclusions available for used oil filters, waste fuel filters, common vehicle batteries & household batteries, latex paint, reusable soiled textiles, PCB Ballast, and more. It will also briefly identify and summarize the requirements for universal waste, waste oil, California empty containers, and other statutory exclusions and exemptions. It will not include recycling exclusions.
